Ministry of Foreign Affairs and International Cooperation Achievements

✓ Project of Establishing Visa Services Centers abroad

The new centers, to be established in key geographical regions of major countries of origin (COO's), shall be mandated with the processing labour applications and contracts and the issuance of labour cards to departing workers.

•**Project key benefits:**

- ❖ Processing employment offers and, eventually employment contracts and labour cards in the workers' home countries

By way of linkage to the systems of the UAE Ministry of Human resources and Emiratization and Ministry of Interior

- ❖ Ensuring the transparency of the contracting process
Informed consent, non-substitution of contracts

- ❖ More effective, onsite capturing of workers' data
Through biometric data scan (iris and hand decimal fingerprint)

- ❖ Reducing Health risks and costs

Through conducting pre-medical examination in accredited medical centers outside the UAE

- ❖ Improving Customer Service level

Through providing high quality services in the centers, and relieving the overcrowding in the UAE ports by linkage with E-gate.
